A chrysanthemum with African roots.

A chrysanthemum with 30 to 40 small flowers per stem and a friendly, sweet appearance. A chrysanthemum with endless possibilities for mono bouquets, mixed bouquets, and flower arrangements. A complete product range with eight varieties, each of which exude the magic of Africa. This can only be the Madiba®, a completely new segment in the chrysanthemum market.

- Cute little flowers, impressive volume
- Grown by quality loving growers
- For unlimited combinations
- Long-lasting joy
